

Peter Tadin is the Team Lead of the Environmental & Sanitation Programs of the Environmental Operations Branch, of the Environmental Section, of the Consumer Protection Division, of the Texas Department of State Health Services (DSHS). Peter earned both a bachelor's and master's degree from Stephen F. Austin State University in Nacogdoches, Texas.

Over the course of his 38-year tenure at the Texas Department of State Health Services, Peter has extensive experience and expertise in various facets of environmental and public sanitation programs. As Team Lead, he oversees nine critical initiatives, which encompass Hazard Communication, Lead-Based Paint, Abusable Volatile Chemicals (AVCs), Hazardous Consumer Products, Youth Camps, Public Swimming Pools, and Tattoo & Body Piercing.

His contributions extend beyond mere oversight; he has personally conducted over 500 inspections, ensuring compliance with regulatory standards and safeguarding public health. Additionally, he has played a pivotal role in knowledge dissemination and capacity building by providing training to fellow inspectors.
